	Scott Howard	Jr	Mathematics
	Anthony Thai	Sr	Mathematics/Physics
	Paul Watkins	Sr	Mathematics/Art
Berry-College			
Fourth Place (200)	Mitchell Crum	Sr	Mathematics/Physics
	Valerie McLure	Jr	Chemistry
	Robby Quarles	Sr	Mathematics/Chemistry
	Carter Smith	Jr	Engineering

Narrative Summary:

Austin Peay built up a substantial point lead midway through the round with Augusta trailing them by 2600 points right up to the Final Jeopardy (FJ) question. Augusta wagered just enough at the end and was the only team to get the FJ question correct and forced Austin Peay to take second place. South Carolina and Berry College took third and fourth place, respectively.
