

MathFest 2017 Jeopardy Round

This year's Undergraduate Math Jeopardy Event at MathFest allowed undergraduate and graduate students and faculty members to participate. Contestants submitted entry forms and sixteen names were drawn to field four teams (of four contestants each) for the four houses of Hogwarts (re: Harry Potter). Michael W. Berry (Tennessee) emceed the event and Robert Vallin (Lamar University) organized this special event. The most impressive performance was made by the Slytherin team and the team representing Ravenclaw followed in second place during much of the round. The roster of participants and a group photo are provided below.

House	Name	Class (Sr, Jr, So, Fr)	Major(s)
Godric Gryffindor			
	1. Michael Homblord (Winona)	Sr	Math and CS
	2. André Moura (Yale)	Sr	Math
	3. Brooke Snoll (St. Leo)	Jr	Math
